

North Country 2009 Year End Agility Awards

Novice Agility Dog – will be determined by the first three qualifying scores at the Novice level, regardless of the year (s) in which they were earned as long as the third qualifying score falls within the year for which the award is being applied. Ties will be decided by course completion times.

Advanced Agility Dog - will be determined by the first three qualifying scores at the Open and Excellent level, regardless of the year (s) in which they were earned as long as the third qualifying score falls within the year for which the award is being applied. Ties will be decided by course completion times.
